Coding is my passion and becoming a professional programmer is my objective. In order to be a professional programmer I must get a chance to show my skill and also uplift it.

EDUCATION

2020/22
+2 (SCIENCE), TRINITY INT'L COLLEGE
pending

2020
SEE, VIDYA BARDAN BOARDING ENGLISH SCHOOL
GPA 3.75

SKILLS

- Playing Guitar
- Coding (HTML5, CSS and basic JS & Django)

ACTIVITIES

I have been taking class of Python with Django in Mind Risers Consortium Pvt. Ltd. in order to uplift my coding skills and to know how coding is done in real time. This course was of 2.5 months which will be completed within September or earlier. I have been coding since a long time. I mostly focus on web development so I have a good knowledge of html5, CSS and JavaScript. As I have been taking course of Django, after its completion I will be eligible to work as both front-end and back-end web developer.
